

Modern Foreign Languages (MFL) Long Term Plan

The Study of Language & Cultures

Vision

At Oatlands Junior School, we aim to nurture our pupils' understanding of the world and its cultures through high quality language teaching. We want to foster a love of learning language, promote positive attitudes towards other languages and understand that communication in our global society is dependent on our knowledge of other languages.

OJS Curriculum Threads

Our curriculum vision is based upon our knowledge of our pupils and community. Our three curriculum threads are:

- Promote Equality and Diversity
- Provoke Curiosity
- Embed Safe Behaviours

These threads are woven through each subject, alongside individual subject pedagogy, to ensure our learners benefit from a purposeful curriculum. The very nature of learning another language and about other cultures embraces the first two threads. Children are encouraged to be curious about languages around them, make comparisons between their own and other languages and explore the diversity of language and the cultures who speak them from the beginning of their learning journey here at Oatlands.

Fundamental British Values

- Democracy
- Rule of Law
- Individual Liberty
- Respect and Tolerance

The MFL curriculum is inclusive and promotes respect, tolerance and appreciation of equality and diversity through their pedagogical approaches (see Curriculum Handbook).

National Curriculum Aims

The national curriculum for languages aims to ensure that all pupils:

- ♣ *understand and respond to spoken and written language from a variety of authentic sources*
- ♣ *speak with increasing confidence, fluency and spontaneity, finding ways of communicating what they want to say, including through discussion and asking questions, and continually improving the accuracy of their pronunciation and intonation*
- ♣ *can write at varying length, for different purposes and audiences, using the variety of grammatical structures that they have learnt*
- ♣ *discover and develop an appreciation of a range of writing in the language studied*

Modern Foreign Languages (MFL) Long Term Plan

The Study of Language & Cultures

Planning and Resources

At OJS, we follow the National Curriculum as a foundation for our French planning. We then bespoke our planning by using the NYCC Scheme of Learning for Primary French. French is taught weekly. Our close links with Oatlands Infants School and our local secondary schools ensure that our MFL curriculum is both fluid and progressive.

Wider Offer

In MFL, our wider offer within the school day is: a half termly register language, always French in the first half term and then based on the languages currently spoken in our school community. We celebrate French through weekly Achievement Awards, Scarth's Celebrations, Oatlands Points, as well as holding a biannual French week for the whole school, with a focus either on France or the wider francophone world.

Pupil Voice Groups

Through the pupil voice groups, French Ambassadors, we gather pupil feedback about MFL when monitoring and evaluating our MFL curriculum offer.
