

USE OF SUNSCREENS PROCEDURES

Oatlands Junior School

General Statement

We believe in promoting Sun Safety to ensure that children and staff are protected from skin damage caused by the harmful ultra-violet rays in sunlight. As part of our procedures we will:

- Educate children throughout the curriculum about the causes of skin cancer and how to protect their skin;
- Encourage children to wear clothes that provide good sun protection, and use sunscreens where appropriate;
- Seek shade, particularly in the middle of the day and to use shady areas during breaks, lunchtimes, sports and trips;
- Encourage staff and parents to act as good role models by practising sun safety;
- Regularly remind children, staff and parents about sun safety through newsletters, posters and activities for children;
- Drink plenty of water during hot, sunny weather;
- Make sure the Use of Sun Screens Procedure is working;
- We will regularly monitor our curriculum, assess shade provision, and review the sun safety behaviour of children and staff (use of hats, shade, etc.).

Procedures

We wish to encourage children to protect themselves from the sun. During the summer months we encourage parents to apply sun cream to children before they come to school. If a child is to use sunscreen on site, parents are asked to:

- 1) Provide the sunscreen product for use.
The sunscreen must be:
 - a) Clearly marked with the child's name.
 - b) Replenished by the parent as needed.
- 2) The sunscreen product will be stored in their classroom in location designated by their class teacher. This should not be kept in their bag.
- 3) The child must be able to apply their own sunscreen.
- 4) Parents are asked to apply sunscreen at home before a typical day, this will be reapplied as necessary by the child.

Where necessary for staff to assist with the application of sunscreen due to a medical need, the sunscreen will only be applied to face, neck, arms, hands and lower legs. Parents are asked to provide written instruction to staff for their child's individual needs.
