RISK ASSESSMENT – EXTREMISM AND RADICALISATION

Location:	Oatlands Junior School	Date of Assessment:	11 th January 2023	Assessor:	Estelle Scarth
Signed:	<i>EC Scarth</i>	Review Date:	January 2024	Distribution:	All

Radicalisation is defined as the process by which people come to support terrorism and extremism and, in some cases, to then participate in terrorist groups.

“**Extremism** is vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs. We also include in our definition of extremism calls for the death of members of our armed forces, whether in this country or overseas” (HM Government Prevent Strategy 2011)

Since the publication of the **Prevent Strategy**, there has been an awareness of the specific need to safeguard children, pupils and families from violent extremism. There have been attempts to radicalise vulnerable children and pupils to hold extreme views including views justifying political, religious, sexist or racist violence, or to steer them into a rigid and narrow ideology that is intolerant of diversity and leaves them vulnerable to future radicalisation.
